Hip/Elbow scoring is compulsory for all breeding dogs born after 31/10/07 with the exemption of females who have whelped 2 healthy litters or more. Litters to be registered from sires or dams who have not been hip/elbow scored and were born after 31/10/07 will be stamped "Not for Breeding". This restriction can be lifted at a later date if the parents or the pups are hip/elbow scored and meet the ABS health policy regulations

Hip Score : Right Hip..... Left HipTotal

Elbow score : Right Elbow Left Elbow
